

# condolences

Dear Richard,

Having heard about Sandra's death we want to offer you our condolences.

Sandra was a lively and active person who completely committed herself to the relationship between Dronfield and Sindelfingen.

We will not forget her great hospitality when she organised a wonderful buffet in Ashton Hall for our Sindelfingen group. And we will always remember her very personal speech which she gave on Remembrance Day in memory of the dead of our two countries. Your numerous visits to the Sindelfingen Strassenfest won't be forgotten either.

We have lost a good friend who will always be in our minds.

On behalf of ISPAS let us express our great thanks to you and Sandra.

Please take our sympathy with your family

Sindelfingen, 13. July 2020

Ute Walker and Dagmar Böhm
